BIOGRAPHY

DJ Shubz has been a prominent figure in the music industry for over 11 years, making his mark as a DJ and music producer specializing in Bollywood and BollyTech music. His journey began with a passion for blending the vibrant beat of Bollywood with the pulsating rhythms of techno, creating a distinct style known as BollyTech—a genre celebrated for its innovative mashups and remixes.

During his career, DJ Shubz achieved international recognition as the former official DJ for Yo Yo Honey Singh, contributing to the global success of one of India's foremost musical icons. His expertise and creativity have also positioned him among the pioneers of UK Punjabi music, further solidifying his influence in the industry.

With a dynamic approach to music production and performances that captivate audiences worldwide, DJ Shubz continues to push boundaries and redefine the fusion of Bollywood and techno music, cementing his reputation as a trailblazer in the realm of electronic dance music.
